“ What I most remember about aaron is him always hanging with my kids. Ron Norman an his sister harli (norman) thomas. An all their friends like colleen dingman, logan wright working on their jeeps together. Aaron always made me laugh. That's what he did best. Make you laugh. He was always around my house when the kids were you. Once he said to me "mom I know why you put those puzzles on the table. So you know where we are. Coz no one can really walk past it an not work it." I wish i could be there to say good bye. I can't though. You are forever in my heart. I loved you like a son. Reast in peace arron.
