“ Arlyne Michael was the best example of a kind loving Mom and friend. This world was a better place for her being here and is diminished for her passing, she could scold and encourage you in the selfsame moment. I shall miss her and I can never pass Captain D's without thinking about that they do cook more than just fish. I was blessed to know her and to become part of the family.

“ So sorry to hear about Arlyne passing. I can remember going to their house to see Randy and Arlyne was always so nice. She would always sit in the front room and her husband was always in the other room watching TV lol. She was a good Mom, always kind. I am sure the kids miss her ❤️
