“ I would like to extend my condolences to the family of Mr. McClintock. He was my bus driver at Spencerville. While I have wonderful memories of many school personnel I have had the pleasure to know through the years, those of Mr. McClintock are very special. Less than a month ago, I was relating memories of riding his bus with a family member. As students in his care, we felt blessed and protected. As his family, I'm sure you feel the same. He was a heck of a guy!
