“ *Hello Virginia, It is amazing how time flies isn't it? Just like yesterday it seems that I was very young and I was heading to the court house with my mom to visit you. I also remember talking to you and Bernie in church multiple times, it always made my day special. It is upsetting that God has already decided that it was Bernie's time to join him in heaven, as it seems to be much too soon. But just remember that God has a special place for all of us, and your husband is in a wonderful place now. There is no doubt that he is looking down from the heavens now, knowing that he had the best wife that a man could ever ask for. Someday we will join him and rejoice with happiness. Best regards, Dylon Webb*
