“ I will forever cherish our conversations, I would always stop by and check on her and George while on patrol. Being called her "adopted son" was a great honor for me. I will miss you forever, until I see you again know that I love you and find comfort you are with the Lord.

“ After Mike was lost in the war June and George added me as another child to their family. We have spent many happy times together. Weddings, grandchildren ,that they are Godparents to, great grandchildren, babysitting, trips and helping her make her fantastic candy. She was the sweetest and most gracious lady that my family and I had the pleasure of sharing our lives with. She will be missed.

“ Hearing this news just broke my heart! Grandma you were the littlest lady with the biggest heart. You loved us 100% as her own grandchildren! Love you grandma! You will be so missed! 💔

“ When our son, Andy, died 30 years ago, it was a visit from George and June that helped us manage our grief. It was their sharing of losing Mike that let us know the pitfalls of losing a child and staying a couple. We will be forever grateful to them both for that backdoor visit!
