“ *Betty and I were more like sisters than sister-in-laws. Even tho we were miles apart we found the time to call each other every week. She had a profound impact on a lot of lives. Always giving to others in need. She will be missed by many . Rest in peace Betty until we meet again. Billie Scoggin Czech*

“ *So very sorry Bill and family. Betty was a great lady and friend. Her and I drove school bus for Jackson Center many years ago. Her family and my family were neighbors on West Street. My Mother and Bill and Betty worked together at Holloways, so many years ago, but it seems like yesterday.*
