“ I worked with Betty in Wilmington, NC in the late 90s. She took me under her wings and taught me so much. She had a deep passion for people and was the best at her job. The staff and I would sometimes call her “Betty Boop”. She was comedic and a pleasure to be around. Betty was definitely LOVED by all she cared for and knew her. She loved her plants and took pride in caring for them. Dusty, her dog, was her baby and she loved her immensely. My heart is broken and I send my condolences to the family.
