“ I am so sorry to hear of Betty's passing. Although I had lost track of her in the last few years ,I think of her often and smile. What a kind and happy lady. My sincere sympathy to Nancy and the rest of the family.

“ Remembering the blizzard in January, 1978 when Betty and Ralph spent the night at my parents (Jim and Doris Frey) since the electric was out but the wood burning furnace was enough to keep some limited heat going. Betty was such a kind, caring neighbor.

So sorry to hear of her passing. I hope Tom, Nancy, and David, their spouses, along with the grandchildren have many wonderful memories. I pray her legacy of love for Christ endures in the hearts of her family for all eternity. My thoughts and prayers are with you.

“ *She always took her time and hand wrote letters. She was a happy woman who loved her cats and lighthouses. I remember having tea, toast & jam together. She helped make my transition into the family a easy one.*
