“ Our sincere condolences go out to all the family members on the passing of Bev Cummins. She was my “best friend” in high school. I remember passing all those silly notes in study hall or on the way in the school hallways when changing classes. We somehow lost touch w/each other after she got married and starting raising a family. I was her maid of honor at her wedding. We did catch up here & there at Walmart, or Buckland Firemen’s jamboree, or class reunions-our 55 yr Wapak class of 1971 reunion later this year will make me miss her! May my good friend truly rest in blessed peace now knowing she was not forgotten!
