“ *I do not have the words to express the sadness when I heard of my friends passing. Brody attended our 45th class of 1966 reunion a few weeks prior to his death. We grew up together in the town of Eastern Kentucky. He was one of my closest friends and the memories of those days gone by I will always cherish. His smile would make your day go by a little easier. He was a friend to all who met him.. My friend rest in peace and may our Lord welcome you to your eternal home. See you when I get there*

“ *I have lost a dear childhood friend, sorry I did not find out until late last night about his passing. I would have loved to have come to say good bye. I will treasure the last memories of the time we spent together at the class of 1966 reunion. As I arrived I heard a voice call my name, and when I looked up he was there with that big smile on his face, I will always remember that voice and the words he spoke(how you doing). I will miss him....*
