“ To the family and friends of Bryan: It has been quite a while since I have talked with Bryan, but the word of his passing was still very hard. I can't imagine the pain his family must feel. I went to school with Bryan at JVS and we ran around together for a long time. I spent a lot of time at his familys home in Botkins. I just want to offer my deepest sympathy to his friends and family. If I didn't live in Iowa I would be attending his funeral. Teresa (Middendorf) Lukacik
