“ I just recently learned of Burton’s passing from cousin Becky. I have fond memories of playing with Burton at Grandpa and Grandma Kirkby’s home as children, along with my sister Cindi- always a fun time chasing each other around the yard and playing hopscotch on their front walk.

My belated condolences to family and friends on the demise of Burton and Lorie.

“ Burton Peterson passed away on December 27 in 2021. Burt and his wife Lorie passed away on the same day. Burt and I grew up together I know he got his BRE from GLBC he then went to Cincinnati Bible Seminary. At CBS he was a language major. After he left CBS he returned to Alma, MI for a short time. He was my associate minister at Salt River Church of Christ. He worked for Fisher Big Wheel in Alma he transferred to Fremont, Michigan. It was there he meet Lorie who later became his wife. He eventually retired from Big Wheel after which he went to Armstrong Air and Space Museum in Wapakoneta, OH.
