“ Rachel, Maddy, Anna, and Molly, I will always remember the fun your mom and I had when we were little we were with each other pretty much daily back then. I have a lot of fond memories of our childhood, and some of our talks in adulthood. I will miss her so much. But I know she is at peace now after everything she has gone through. I hope you all will find comfort in knowing she is at peace now with God.

“ Maddy and family:

Know that you are in our thoughts and prayers, and may love and memories bring you comfort and peace. Maddy, I keep thinking of the SnapChat of your Mom you sent from the Cher concert. She was so-o-o happy! And I remember the song she was singing along with was "I got you, Babe!" What a Great Memory! Love, Uncle Joe & Linda Schroeder family

“ *Our deepest sympathy to the entire Paul family. We first met Carrie prior to Jon and Maddy's wedding-we met for supper and Carrie talked the entire meal-after the meal was over she said-"I did the one thing Maddy asked me not to do-Talk to much!" We enjoyed the times we spent with Carrie and Chris and family-though too few. Carrie had a kind gentle soul-her gentleness will live forever on through her daughters. Girls-be proud of the love and care you gave your Mom-she is at peace now! Remember all the good memories you have of your Mom, those memories will pull you through the tough times. Love to all especially Maddy. Larry and Daisy*

Maddy, you and your family are in our thoughts and prayers. It's hard to lose a mother because of all the shared memories, but the good part is that those memories stay with you and no one can take those away. A special memory for me was how happy and proud your mom was as when you and Jon got married. It really showed and I enjoyed our talks - she was so kind.
