“ I'm going to miss Charlie so much. He was like a second grandfather to my son, Evan, and an adopted father to me. You could always count on Charlie and Sue to attend any school activity or sporting event that had his grandchildren and adopted grandchildren participating in. I will always remember Charlie sharing his giant jelly beans with me during baseball games and always saving me the red and purple ones. We had a lot of laughs together. I like to think of Charlie sitting in heaven, watching a baseball game, and eating his circus peanuts. Rest in peach Charlie and know that you were so loved on this earth and will be greatly missed by all who knew you. Love you!
