There is a beauty and grace that greets us when we are fortunate enough to bear witness to the end of a life well-lived. The bouyancy felt as difficult feelings are lifted from your shoulders; the quiet and gentle stillness of an assured peace.

With downy feathers, Connie has been lifted from this earth. We feel the brush of gentle wings as she remains long enough to touch us once more. Her new journey has begun, and we are grateful to have shared time with her.

Visit us often in our hearts, memories, and dreams, for you will always be welcome.
