“ First I would like to say I'm so sorry to hear about Craig's sudden death. I worked with Craig at Ford but presently live in Florida. Craig was the nicest guy I think I've ever met. He never said had anything bad to say about anybody & I mean exactly that. Craig was very proud of his girls, almost ever day he would tell us how proud he was of his girls & his wife. I couldn't of had a better co-work & friend. God Bless Craig & my condolences to the family!

“ I can still remember when Craig moved to Cridersville. We were good friends and spent a lot of time together through the years. C-ville kids seem to share a bond that never ends. As we grow older we drift apart but always have such great memories. Prayers for all the family that Christ comfort and hold you in your time of loss and sorrow. Craig was a great friend and will be missed very much by all.

“ I did not have the pleasure of knowing Craig, but know his father - Brooks, who would speak fondly of his family often. I'm sure if Craig was like his father, he was a fine individual. I know Brooks from his being our "AVI guy" at Marimor Industries in Lima for many years. My heartfelt sympathy goes to all of Craig's family in this time of great sorrow. May your tears soon turn to smiles everytime you think of Craig. May God bless you. Theresa Felgar
