“ I am sorry to hear of Dale's passing. I remember him as a boy at grandpa's house. He was always a boy's boy and I am sure he became a man's man. My deepest sympathy to his wife and son.

“ I don't remember the exact date that we met Dale for the first time. He showed up at a family function with our dear sweet hearted Cindy and started working his way into our hearts and memories. His love and devotion for Cindy and his easy way of fitting into our family made it easy for us to admire and respect him. There will be a big hole in the fabric of our family from his passing, but he will live on in our memories and through the legacy he leaves behind. Our hearts and prayers are with you Cindy and Zack.  
With love, Bud & Chet

“ Dale was one of my best friends at Youngstown State. We were in the ROTC program together and created many great memories for each other along the way. Dale was in my wedding in 1985 as one of our sabre arch soldiers. Rest In Peace my friend.
