“ David was just a genuine nice guy.
I always remember how he had my back on the school bus when the older boys would bully me.
No one wanted to mess with David. It was great to have a cousin like that.
Also - David taught me that I couldn't really outrun the chickens when they chased me around the pen on the farm in my new Keds. Lol. Again - he saved me by pulling me over the fence just in time.
I never had a chance to repay David for looking out for me in my youth. We didn't have many opportunities to see each other once Grandma and Grandpa McCormick passed, but I think of him often and will continue to. Rest In Peace David.
