“ He was my Coach, my friend, my mentor. My sympathies go out to his family. What a tremendous loss to you all and to all of us who we're privileged enough to have known him. I shall never forget him. *Richard Riddle, Westfall High School, 68-71*

“ Dave was truly one of a kind. We went to school together and the one thing he always had was a smile. He had a great sense of humor! My deepest sympathies go out to his family.

“ Dave and I knew each other since we were five. I would go over to his house before school. The things we got into, the chemistry sets, tree climbing, bike riding and swimming trips with Jaunita. We had so much fun. He was like my brother. So sorry he is gone so soon. Hope he found true peace. I will miss you, Katt!
