“ I worked with Dave at Prestolite in Toledo before it dismantled Toledo operations. Dave was intelligent, helpful, jolly, and a pleasure to work with. He always respected others and was willing to lend a hand, at work and in friendship. I have missed Dave and thought of him often in the years since Prestolite Toledo. I offer my deepest sympathy to his family and friends.

“ My condolences to Dave's family. I will miss working with him. He was always very willing to lend me his knowledge and equipment when I asked him for help. He also usually had a story about "how it used to be" that I will greatly miss.
