“ Polly, Gavin, Sara and Cara, and the entire Helmig family, Don and I were so saddened to hear of Denny's passing. We know he was loved and admired by many people and will be a great loss to all. But we also know that he was suffering and although there is great grief right now at least he is at peace. This has been a rough start to the year for the Extended Wright family and we are sorry that we are not there to show our support. We wanted you to know that we are thinking of you and that you are welcome here anytime if you need to get away for a while.
Hugs and condolences
Don and Dianne
