“ *I so sorry for your loss. Dennis was always willing to help me with questions about gold prospecting. When I would call we would end up taking for hours about his chickens and his cats, of course gold. Rest in peace my friend.*

“ *I remember Dennis so well as he was across the street with his Grandma quite a bit and him and our son Michael were always building things, climbing trees, riding bikes and had great summers together. Our daughter Michelle graduated grade school with him. He was a very active and nice boy. So sorry to hear of your loss at such a young age. May God keep you in the palm of his hands now and always.*
