The Lord sent us an angel to help guide us to HIM. Your faith was so precious and dear to me. Grandma, you , and paps instilled God and me and I will never forget that. We love you so dearly. Thank you for always loving and caring for us. Praise God that one day we will see you again! Love always, Tash

“ I'll miss our long talks and many times that we would laugh about a lot of things that we would remember from times passed. I know that you are with Jesus now and I would not want it any other way. The one thing that I do know is that one day we will be together again ...talking and laughing, what a blessing you was through-out my life. I love you and I'll see you when the Lord calls for me as he you you. Love always and a day your sister, Sharon

“ Aunt Donna: I love you and appreciate, admire and respect your love for Jesus Christ our Lord. Thank you for believing in faith that His grace is most needed and sufficient. You served so many in your 70 years and you looked so beautiful when you passed. You fulfilled your purpose; the enemy has been defeated.
