“ My heart breaks for all of you and your loss. Doug was such a great guy. I have a thousand memories of being at your home (almost) every day growing up. It was a great time. He could always make me laugh, like when he used to say "you dropped your pocket" on April Fools day. He'd get me every time. I will be at the funeral home on Sunday evening. I feel your pain as I just lost my wife (2 months younger than Doug) in January. Know that he is in Heaven and we will see him again. It will only seem like a second for him. Time heals the pain.
