“ I had the honor of being Eula's hair stylist for several years. I always enjoyed seeing her smile come into the salon and hearing her many stories of her traveling experiences.

“ I think of Miss Doering often. I've always wondered what she would think of today's writing in 140 characters or less.

“ As a graduate of Botkins High School, I was a student in several of "Miss Doering's" English and literature classes. I think of her often when I read an article containing poorly structured sentences and also when I hear poorly structured sentences during newscasts. She was an excellent teacher, and I learned a great deal in her classes at "BHS". I think it would make her smile to hear that.
