“ Sarah we love and thank you for everything you have done. You was a wonderful daughter to your mother and took great care of her. We are so sorry for your lose honey. She will forever be in our hearts and never be forgotten for as long as we live. She was a very special person to us. As for me (Juanita) when I first came into the family she welcomed me with open arms and a big smile and treated me as if I was always a part of the famly all my life. She also held a special spot in Dustin's heart too. When Jonathan went to the Navy I had spoken to her and she said she was proud of him and Jonathan also has a special place for her in his heart. May God help ease your pain during this time and hold you tight. I know she is in heaven now with her sisters and brother and son and other family and friends....I hope knowing that will give you comfort...we love you and should you ever need anything please let us know and we will be there for you ...we love you very much....John, Juanita, Jonathan and Sarah and baby Summer Scalf
