“ *R.I.P to a women who was and will always be an important part of my and my mothers life. Frieda was there during some very dark times in my mom's life and was the solid ground when my mom thought her world was falling apart during a divorce. She and my daddy Jim Shields were dear friends and I know he was waiting on the other side to greet her and they are dancing in heaven. Fly high my beautiful "aunt Frieda" I love you*
