“ *Please accept our sincere condolences.*

I am sorry I cannot be there in person to say goodbye, but I pray that God gives eternal peace and a safe resting place in heaven for dad Garry's soul.

When I first met him ten years ago, it felt as if I had found my long-lost father. Now I am left only to treasure the time we have spent together in our short visits there, his smile and his desire to make people laugh.

My family and I pray that God's peace and love comforts you through the pain you are all feeling now. We also pray that God helps you recover and heal from this heartbreaking loss.
