“ *Thoughts and prayers are with you during this difficult time. George and June were two of the nicest people that you could meet. I had the privilege of preparing their tax returns for probably at least thirty years. I looked forward to seeing them and listening to stories that George would share, with June always saying "Oh, George". Heaven has gained two more angels. Debbie Graham*

“ 12/28/22 Our sincere condolences go out to all family members of George (and Betty June) Armstrong on their passing. I came to know George from working on my Harley Davidson motorcycle back in the '70's. Living in Cridersville I was part-time patrolman for Cridersville police and would catch up w/him working in his garage while patrolling. May both of them truly rest in peace now. Joseph & Marilyn K. “ After Mike passed George became my protector. He was gruff on the outside but nice on the inside. He use to wrestle with the kids when they were little. They all had a blast! He would have done anything for me. Our family will miss him. Be at peace George.
