“ *Mr. Farris was principal when I went to Buckland School. He was always kind to all the students and would suggest competitive "drills" to get us to do better. He was one of a kind and respected by all. I can still see him as a much younger man and the smile in his picture is still the same. He always spoke highly of his wife and boys. I know he and his wife are sharing their skills in heaven. RIP, you were and are a jewel. Thanks for all the mentoring you gave to me and many other kids at Buckland.*
