“ Before I joined the United States Navy in 1982, I would ride my bike over to the Mauk home to either play football with all the boys, just lay back and especially to get some of that "great" food from his mom. I remember that he was always happy when I show up to help where help was needed. I know the LORD has something for the young man to do. We will all miss you!

“ Though I had not seen Harry in years, maybe even since high school, I never forgot about him and what a nice person he was. We had a lot of good times together in metals class. He had been on my mind a lot the last couple days since his passing. This morning he visited me in a dream. I grabbed him by his right arm with my left hand and shook his hand and told him as he smiled, good to see you again Harry Rest in peace Harry From your old friend Ray Vining

“ Harry was always friendly, and helpful to others.

I remember how he loved chocolate brownies, but his favorite part of them was the crunchy edges, and he thought someone ought to make a brownie pan that made just those crunch delicious brownie edges.

I will miss his welcoming smile and those big gentle bear hugs he gave.

He will not be forgotten because we who loved him, will carry him our hearts.
