“ *The tribute to your loved one was a joy to read. You did good by him. He must have been a force to reckon with and the world is less because of his loss, but think of heaven's gain.*

“ *Lynn, Alycia, and Craig, Please know that I share in your loss of Mr. Argo. He was such a peach of a guy and a joy to see and speak to whenever I would see him out and about. I loved him and Sharon very much. I know that you might be wondering who I am and you will remember me from the Clark Station in Wapak when I worked there. God be with you all.
