“ Hi again -
Rich Monnin & I went to Howdy's viewing today, & just wanted to share what I mentioned to Howdy's daughter. An old saying here, I thought really described the smile he always wore - "Keep smiling - it makes other people wonder what you're up to". This is Howdy . . .

“ I first met Howdy when I worked at the grain elevator in Uniopolis and he was hauling in grain. He made quite the impression with his orneriness! :-) He always made me laugh and I looked forward to him coming in. Rest in peace my friend. My condolences to all the families who were blessed to have him in their lives.

“ My sincere condolences to the Brandehoff family. I had the good fortune of working with Howard at Superior Tube. He was a skilled, hands on, mechanic who contributed to Superior's operations on many levels; and was fun to work with. Our work-related road trips together were always memorable!

R.I.P. my friend.
