“ Aunt Inez was a gracious, loving, caring, courageous lady. I have fond memories of time spent with her and the whole family. She will be missed. I have a poem to share that I hope you will find comforting. The author is anonymous. Think of stepping on shore, and finding it heaven! Of taking hold of a hand, and finding it God's hand. Of breathing new air, and finding it celestial air; Of feeling invigorated, and finding it immortality, Of passing from storm and tempest to an unbroken calm, Of waking up and finding it home!

“ To the entire family and extended family of Mrs. Bovee, I loved both her and Lloyd very much and I did not have my entire life to cherish their friendship, but I moved to Wapakoneta in 1971 and was blessed to know them that long. Neither one of them ever had a frown to show when you would meet them on the street. I bought most of my cars from Mr. Bovee in my adult life. I am blessed to have had the opportunity to know them.
