“ Sue and the Evans Family: I was saddened to hear of Jack's passing. I first met Jack when we moved North of Uniopolis during the 3rd grade. Even though we were quite different, he accepted people as they were, and we formed a friendship that held through the years. I knew him not as a businessman, but as a classmate, fellow Boy Scout, and friend. Travel safely wherever your journey takes you

“ I will never forget my days at the Antique Mall and my wonderful boss, Jack. He was no-nonsense and I appreciated that more than anything. I was fortunate enough to see him last Oct. at the famous "marathon" groupings where my dad meets up with him and others. He will always be remembered. My thoughts and prayers are with all of you.
