“ *I remember Jack from growing up in the old neighborhood (between Blackhoof & Perry). Because we spent most of our time either in or just outside Bird's house, he had to deal with us often. Almost always happy & smiling, he was a great neighborhood coach & dad!*

“ Dear Barb Naylor and Family, I'm so sorry to hear about your loss. I really liked meeting and talking with Jack over the years and if you remember he hired me to work for him at his hardware store despite the fact I didn't know anything about tools, etc. That was a great summer working there in Wapak. My thoughts are with you and the whole Naylor family. Chris Willis
