“ Thank you for allowing us to view the service online at the funeral home and at the cemetery. My mom (Joann Dull) and I enjoyed hearing the stories and seeing the people who were there, but most of all, we were comforted by the loving memories of Uncle Jim and his amazing life. One of my favorite memories of Jim was as a young boy, my family was visiting Jim and Nancy, and Jim would always take the guys outside to see his latest hound dogs, guns and lanterns... and hear about his latest adventures and see the hides that the hunt resulted in. I guess I was amazed that he would take the time to share with me (8 or 10 years old) the equipment, details and results of such an exciting adventure that I did not know yet having been brought up in the city. The love of others and life that Jim made so clear to us all should be shared by us with each other daily. We'll miss you till we meet again!
