“ *Watercutter family, our prayers and thoughts are with you at this time, Wally was a dear close friend to not only Fish, but our entire family. He stopped by and spent nearly every day at our house and he was a fine man. Watched our kids grow up, lamented with us when we lost family members and friends and I enjoyed my chats with him since he and I typically had the same opinions and usually weren't those of Chris' and we shared the love of getting Fish going!! Fish will truly miss him, his very close friend...but we as the Fisher family will also miss our friend, Wally. As they say only the good die young....Watch over us Wally and peace be with you my friend.*
