“ To Jane's Family: I have many wonderful memories of Jane as a neighbor, as a librarian and as a friend. You have been truly blessed to have her in your lives. While even in these last months when I had a chance to spend some time with her, she was still a very positive individual. Continue to foster those values she gave you. Rest assured you will continue to be a part of my prayers. We ask that God shower each of you with His love and peace.
