“ I am so sorry to hear of Jason's passing. We were talking to him last year when my brother Troy was sick. We were talking to Jason on speaker phone in the car, while taking Troy to a doctor's appointment. Jason was telling Troy to hang in there and get better, and he also offered to help get some them some wood, and he did. Troy and him were kidding with each other and cracking us up, they were such good friends. Jason made us laugh in a time we weren't so joyful. I hope his memories will bring smiles to your face at times when you most need it, and peace when your hearts are heavy. You are in my prayers.
