“ I am saddened to hear of Jeff's passing. When my family moved to Aster Dr our backyards met. I was not thrilled to have moved there because I loved my old neighborhood. One day Jeff was shooting some hoops so i got the courage to walk over and talk to him. We shot baskets and became friends. We didnt talk a lot but when we did I always wished we could talk more. Prayers for comfort and peace for Jay, Jill, Jon and those left to grieve. Bev (Symonds) Hurlburt

“ After the Marines and before California Jeff and I were brothers. We played around with the Motocross bikes and spent a lot of time building track and practicing west of Wapak. Those were the best of times and we were showing up big on the bikes. Prayers to Jon and the rest of the Family. Too soon for such a kind soul. Love Wally..
