“ My brother, my friend, my confidant. I am so blessed to have a brother as wonderful as you. My boys adore you and their lives are better because of you. You set a stellar example of what a parent should be - coach, teacher, friend, hunter, fisherman, athlete. You shared these traits with me and now I can be the same for my boys. Although my soul feels empty without you, I feel some comfort knowing that you and Dad are together again. I pray that you both are by my side in spirit through the rest of my days. As I remember your love, as I mourn your loss, I will also celebrate your life. Forever your little sister, Kelly "Missing someone gets easier everyday because even though it's one day further from the last time you saw each other it's one day closer to the next time you will" -Author Unknown
