“ Heartfelt sympathy. Years ago carpoled with Jennifer when I worked with Karen and Katie at Vistron. We had so many great talks during our drive. My fondest memory was her smile that shone so bright especially when she talked about her boys. Rest In Peace. Judy (Bellman) Opperman

“ I have known Jennifer since our school days, then we worked together at BP for many years. Over the years we have had so many good laughs. No matter how long it was until we saw each other we could always pick up where we left off. She was such a good person and friend who I will miss dearly. Sending prayers for her family during this tough time.
