“ *Dear Barb, I know it has been years since I have seen you, but I just heard about Jenny. I remember Jenny going with me to Wright State to pick up my transcripts and we got lost. She was so mature, and such a delight. I am so sorry for your loss. May God be with you through this and may you find comfort with your family and friends.*

“ *Barb, I am so sorry to hear of your loss. It's unfortunate that we get so busy living our lives that we lose touch with those we grew up with. I remember how much Jenny smiled and laughed. She was a lot of fun to be with. My deepest sympathy goes out to you during your time of loss.*

“ I have very fond memories of Jenny from elementary school (St. Joe) and all the years of Girls Scouting and through high school. Jenny was a great friend. We always had fun together and we were the first ones to sport the ever popular "Michael Jackson" Jacket back in the day when they were hard to find. We were cool! Thank you Barbara and Jenny for being a special part of my life growing up. I will keep you all in my prayers.
