“ I just found out that Mr. Phillips passed away. It brought back a lot of memories when his children were younger. I remember playing with the kids (believe it was red rover) and Mr. Phillips mowing the lawn. Always had a good time at their home. John was a respected in the neighborhood by all. I offer sincere sympathies to the family. May God bless all of you and I pray His loving embrace holds you all close together at this sad time.

“ Dear Miriam and family. We are so sorry to hear of John's passing. We have such fond memories of John and you, Mariam, in Egypt. Those good times will never be forgotten.

We are very sad that we will not be able to be with all of you to personally express our sympathy and give you a hug for we are in Florida. That does not mean we won't be thinking of you this week.

Mariam, we love you and will continue to have you and the family in our prayers.

“ Miriam and family - my deepest sympathy to all of you. My memories of John go back to his working at the greenhouse and retail shop on Mechanic Street. Always a very soft spoken individual and pleasant to everyone. May his many wonderful memories sustain all of you during this difficult time. Jim Harrison
