“ *John was one of my first friends I made when I joined Ohio
Extension. He was a great mentor for a young educator. I still use
some of the lessons he shared with me - throughout my Extension
career and now in retirement. May God Bless him and his family.*

“ To Kay and the Family of John Ruoff,

I had the privilege of working closely with John as I was the Activity Leader on his unit and he was very involved in most activity programs. He never allowed his limitations to stop him from doing anything he wanted to do. I want to extend my condolences to Kay and the Family! He will be missed by all, including myself, his peers and partners at Otterbein Cridersville. My prayers are with you in your loss!

“ *I went to many OSU games with uncle John and always had a great time. As a kid I had fond memories going to visit him and aunt Kay on thanksgiving. I remember watching him carve out a bison out of a big hunk of cherry wood. Thought that was neat. RIP uncle John. You'll always be missed.*

“ *Kay and Norma,*

John was a member of the Greater Columbus Dahlia Society for many years and helped with our annual show every year. He will be missed by me and all of our members. My late husband Wilbur and I always considered John and Kay our dearest friends and I will remember our time together at many Midwest Dahlia Shows.

My prayers and thoughts are with you.
