“ Growing up at home, our parents would talk about their dear friends, Ken and Joy Dahill. We didn't visit often, but knew how much they meant to our mom and dad through cards or phone calls. It's so hard to think that time goes by so fast and now they are having their ONU reunion in heaven. I am so sorry for your lost. Bill and Jocelyn Arthur's daughter, Sue Ann Arthur Bateman.

“ To all of you,
I was so very sad to hear of Joys passing and send prayers and love to everyone.....Joy was like a second mom for many, many years, and one of my mom's dearest friends ever. The memories are too numerous to write about, but I especially remember the Christmas Eves we shared.....they were the best of times. Please know you are all being watched over by her the same as always, just from a different place. A place where there is no more pain and discomfort...and that she is at peace. I'm hoping you will be able to find some sort of comfort in that now and the days to follow. My love to all, Becky (Brown) Pena

Enjoyed doing Joy's at her home this past year & before at the salon. Shared many laughs & a few tears along the way. Loved listening to her stories. She will be sadly missed by all.
