“ Stephen: I am so sorry for you loss, Joyce was a wonderful person and a fabulous boss, you both attended my wedding, as she was C.O.O. of OHPMS. I am one of her employee. We the coders are all very shocked we had no idea that Joyce was sick. I believe you two bought a car from my husband Bob Becker before you left for N.Y. at one of the Ford dealerships he was at. We would like to know what happend if it isnt to forward in asking. I guess that shock is the only word to use here, with the exception of sadness. We all here at OHPMS those of us still here and those of us that have gone on to other oppportunities are deeply sadden to hear of this loss and we are only to sorry we were not able to pay our respects as today was the first we heard about it. We wish you and the girls well and if there is anything we can do for you please do not hesitate to contact me. Joyce was always fond of my boys and I think she would be happy that both of them are in the Army one is serving in Afghanistan and the other one will be soon going. “ So sorry to hear about Joyce. She was the admin of our anesthesia dept for a time a few years ago. I just loved her as did many other crna's on our staff. She tried to right all the wrongs in our dept (which was quite impossible but she gave it a good try!) She was so sweet and thoughtful, caring and kind. I am shocked to hear of her passing. I know she will be greatly missed as she was such a wonderful person.

“ I would like to express my condolences to the entire Schweitzer family. I was so saddened to hear of her passing. Joyce hired me at Mount Carmel over thirteen years ago. Although I did not have an opportunity to work with her more than a year or so, I enjoyed working with her and learning from her. We kept in touch over the years. She was a true friend. She will be missed by many. I would also like to compliment you on the beautifully-written obituary. Please know that your entire family is in my prayers. Terri Harlan, Lancaster Ohio
