“ *John and Family,
I was in Michigan visiting with family when I heard the news of Judy's death. I was deeply saddened and it brought back so many good time memories back when Larry and I and the girls and your family got together. I last saw her at the hospital when I had my mother there and that has been some time ago. I did not realize she was ill. Again, you have may deepest sympathy in the loss you must be feeling.
Sincerely,
Sharon(Platfoot)Minnich*
