“ My dear Aunt Judy, such a gentle soul. So many memories we shared, special sleep overs with her & grandma Eakes, camping, fishing, picnics, holidays. I'll cherish each and every memory in my heart. Love you always

“ I miss the time that Christine, Mother and I went to visit Judy and the girls in Wap and we all stayed up and talked. We slept on the floor in the trailer and will always remember that particular visit. The times we shared with Judy and her mother, Viola, was unbelievable fun. The fishing episode when the fish kept jumping in the boat. I miss those times but hope her daughters enjoyed her as much as Christine Hayward, Viola's sister, Gertrude Hayward, and Karen Owens. My prayers are for her family that they remember the good times.

Miss you Karen Hayward Owens

“ I can really say I have a lot of memories with Aunt Judy. Her and I was just talking about the good old memories camping with the family in Gatlinburg and seeing the bear cubs then she chuckled remembering the skunks. We laughed. I will truly miss our long phone conversations. Rest in peace
